Please be aware, risk assessments provided by Thorrington are only in an advisory capacity.

Due to the dynamic nature of this activity, no risk assessment is provided.

The risk assessment should be undertaken by the group leader responsible.

Orienteering Trail

As you walk round and collect the letters that spell the name of a tree.

Start at the Flag Pole	Letter
Bear 310 for your first letter.	
Now head 070 .	
First bear 155 to the bottom of the hill. Then go 200 to a crossing. Finally take the bearing 180 . It's up high!	
For your fourth letter walk off at 210 .	
The next requires a detour around an obstacle, but don't lose your bearing. 288 .	
Walk under the arch onto the edge of the lane. Now head 012 . It's on the corner of the black building.	
Now head on a bearing of 270 through the fence and on the board, you must look.	
Now turn around now and head 235 . It's by the poles.	

You have now completed the trail, now to test if your in the right place...

What's your tree called?
